Kellis Phoenix/Cardinals Stadium Fundraiser: Wendy Adams – Fundraising @ Kellis:

Volunteer for every Home Game for the Cardinals, Concerts and other Events at stadium. Volunteers will be there before gates open and remain until after they close. Raises a lot of money. Volunteers are paid a minimum

and a % of commission. Totals out to about \$150 per volunteer. Approximately 15 volunteers needed each game, which leads to about \$2500 a game once or twice a month.

Lavona Comsa shared some problems from the last time this was tried. Kellis did not split money as agreed upon. Wendy Adams explained that the person responsible for those problems are no longer involved with the program. Might have also been from fewer volunteers from Sunrise and more from Kellis.

Earnings will be split according to the number of personnel working from each school. (For example: If amount raised is \$1,500 with 5 volunteers from Sunrise and 10 from Kellis total is split -- \$500 Sunrise, \$1,000 Kellis).

Mandatory training is required before volunteering. Training sessions are available all year long. The next training session available for volunteers is May 21st (before soccer games and summer events). Summer events: 5th, 8th, & 25th of June. On the 22nd of April the contract with Kellis is renewed. Can get more spaces if there are more volunteers. Number of people we can volunteer leads to a bigger stand, which can ultimately lead to more profits. Soccer games do not require full staff (summer events). Kellis has carts and a full stand. One being a beer cart. Wendy asks for names of volunteers, but does not mean there is a commitment, only Kellis, since they are signing the deal.

Chandra Beck: How do we determine who gets to volunteer? Will Kellis get first dibs?

Wendy Adams: Will be discussed further in detail, Kellis will get first dibs if there is not a solid commitment from Sunrise, since they are signing the dotted line and Sunrise is not. If there is a commitment by Sunrise to have 'X' amount of volunteers at all times, then opportunities will be split 50/50. Big stands take about 12-15 volunteers; 6 or 7 regularly or 12 here and there is what Kellis is asking from Sunrise. Events they have worked in the past: Fiesta Bowl, Championships for colleges, Super Bowl last year. Rojo gives call times & needs lists 1 or 2 weeks before event. Jobs for volunteers: running the register, calling orders, transferring from cook to counter, opportunity for head cashier. Chris Vail asks for volunteers: several hands raised.

Motion to proceed with volunteering opportunity: In Favor: All, Opposed: None.

Cadi Davis: Antigua is discontinuing jacket. Offers to sell in bulk on sale for 15 plus embroidery. Pre-purchase before fall semester so we have them and can sell them to earn money back. Price for shirts will raise to \$30 in fall.

General Discussion: Forever Shirts: Will be asking for forever shirt payments to be ordered/paid during band camp. So the Bandwagon can place a single order for all parent and kid's shirts without having to worry about collections later.

Dave Leake: Website hacked - looking into it to prevent it from happening again.

Remember to make tax credit contributions.
